Donation Only Member _____
Working Member (Non-Donor) _____

The Booster Club supports the athletic programs for our school both financially and by providing the manpower needed to make our fundraisers a success. The athletes of our school need and appreciate the work we do. Our fundraisers include: Tailgate Supper, 5th-6th Grade Basketball Tournament, Middle School Salad Supper, High School Salad Supper, and the 7th-8th Grade Basketball Tournament.

The purchases the Booster Club made in the 2009-2010 year were: weight room improvements, softball complex completion and many contributions to our athletic department.

Please complete this form along with a **separate check made payable to the West Fork Athletic Booster Club**. If you cannot make a financial contribution to the Booster Club but would like to help with the club's activities, please complete the information above and mark the Working Member (Non-Donor) line.

Your support is greatly appreciated!

THANK YOU!!

GO WARHAWKS!!!
